CHECKLIST FOR APPLICANTS SUBMITTING EXTENSION MASTER GARDENER VOLUNTEER ASSOCIATION GRANT PROPOSALS

Grant Proposal Meets the Following Requirements:

- 1. Proposal delivered to EMGVA on or before **Wednesday, January 31, 2018**
- 2. Proposal has the appropriate signatures.
- 3. Proposal supports two or more of the Extension Master Gardener Volunteer's Strategic Goals.

Goal 1: Research

Providing unbiased, research-based, environmentally sound information about growing lawns, fruits, vegetables, trees, and ornamentals related to residential gardening and landscaping, including environmental stewardship etc...

Goal 2: Teaching/Learning

EMGVs learn to use and to teach research-based horticultural practices.

Goal 3: Diversity

Our programs and staff reflect the diversity of the communities they serve. The land-grant university system was built to provide access to higher education and serve the needs of the common person. EMGVs continue the land-grant university tradition by ensuring that the programs and people delivering them are available and applicable to all residents.

Goal 4: Sustainability of The Project

The EMGVs strive to ensure the continued success of the programs they support.

Goal 5: Stewardship

EMGVs strive to sustain the things we depend on, as an organization and as individuals, by acting in ways that protect and conserve our resources—natural, monetary, and human.

- 4. Budget is complete and cost effective and does not include monies for such expenditures as computer hardware/software, food, or furniture.
- 5. Proposal explains the project goals and two or more methods to evaluate the project.
- 6. Proposal describes project activities that are well-defined, fully explained, and link to project goals. Project has a strong innovative design.
- 7. Proposal includes timeline for grant activities.
- 8. Proposal describes the project's short and long term impacts to the larger community.
